Re: Retzlaff v. de la Vina, et al. Civil Oaction No. 5:08-CV-00170-OLG, U.S. District Court for the Western District of Texas (San Antonio Division)

Dear Mr. Hagen,

I apologize for not responding earlier to your letter in reference to setting the deposition for the above mentioned case. I am currently in the process of negotiating a withdraw as counsel with my client, in which at that point you can schedule the setting directly with Mr. Retzlaff.

If you have any questions in reference to the above mentioned matter, please call me at the office.

Respectfully,

Louis D. Martinez
